# Installing Zoom Cloud Meetings Instructions for Patients

Google and Samsung Products:

1. **Tap the Apps icon.** You'll find it at the bottom of your home screen. It usually looks like several dots or small squares inside of a circle.

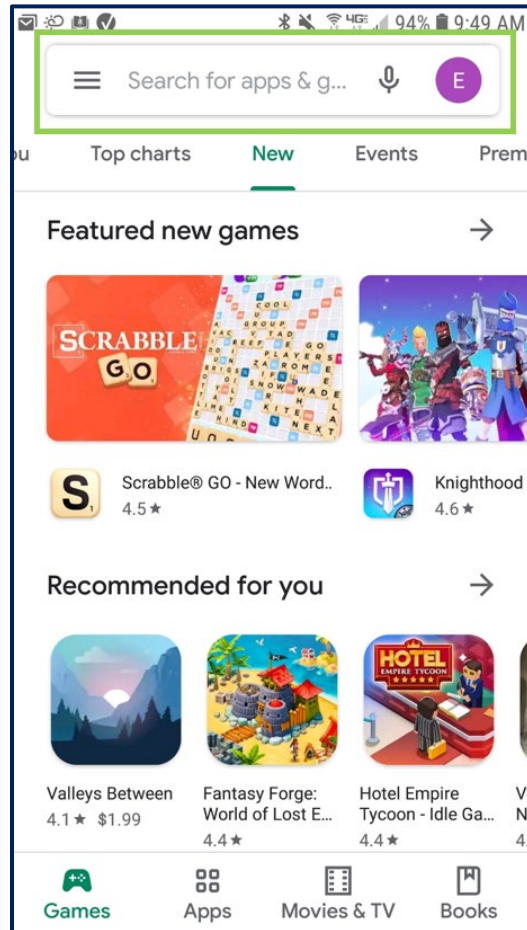

2. **Scroll down and tap Play Store.** Its icon is a multicolored triangle on a white briefcase.

   NOTE: If it's your first time opening the Play Store, you'll be asked to enter your Google account information and payment details. You can click "Skip" to skip this step.

3.   **Click into the Search Bar.** It's at the top, and says "Search for apps & games" in light gray text.

4.   Type in "**Zoom Cloud Meetings**."

5.   **Select the "Zoom Cloud Meetings" app from the search results.** This brings you to the details page, where you can read the app's description, check out user reviews, and view screenshots.

6.   **Tap INSTALL.** It's a green button just beneath the name of the app.

7.   You are now ready to use ZOOM when invited.

      NOTE: The invitation to join a meeting may be sent to you via text, email, or through your
      patient portal. Be sure to ask the provider how they plan to send you the invite.
