## **ORDER OF THE MONROE COUNTY COMMISSIONER OF PUBLIC HEALTH**

WHEREAS, the United States has declared a national emergency in relation to COVID-19;

WHEREAS, the State of New York has declared a disaster emergency in relation to COVID-19;

WHEREAS, on March 14, 2020, Monroe County Executive Adam J. Bello issued a Local State of Emergency Proclamation to address the local outbreak of COVID-19, which was renewed on April 10, 2020;

WHEREAS, COVID-19 continues to spread in Monroe County; and

WHEREAS, it is my duty and responsibility as Commissioner of Public Health to take measures to limit the further spread of COVID-19 in Monroe County;

NOW THEREFORE, I, Michael D. Mendoza, MD, MPH, MS, Commissioner of the Monroe County Department of Public Health, pursuant to the authority vested in me under Article 21 of the New York Public Health Law, hereby ORDER:

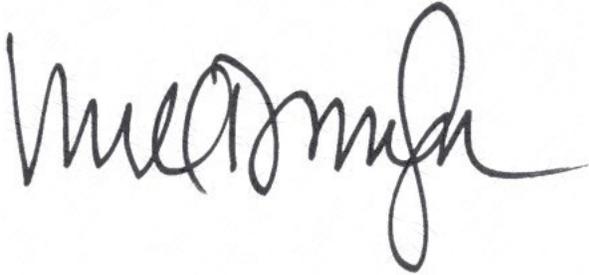

1. Any healthcare provider or other entity conducting testing for COVID-19 within Monroe County shall at the time of testing provide a copy of this Order to anyone experiencing symptoms of COVID-19 or who has had contact with a confirmed case of COVID-19 and direct that person to Paragraphs Four and Five of this Order.

2. Any healthcare provider or other entity conducting testing for COVID-19 within Monroe County shall collect the name, address, phone number, and email address of anyone undergoing testing for COVID-19.
3. Pursuant to New York Public Health Law § 2102(2), any healthcare provider or other entity conducting testing for COVID-19 within Monroe County shall promptly provide confirmation of positive test results, including individuals' names, addresses, phone numbers, and email address, to the Monroe County Department of Public Health at 585-753-5555, after sharing results with their patient .
4. Anyone experiencing symptoms of COVID-19 who is awaiting the results of a COVID-19 test must contact their health care provider, or if they do not have a health care provider contact the Monroe County Department of Public Health at 585-753-5555, and remain isolated at an individual place of residence until such time as the individual meets the Clearance Criteria, as set forth by the New York State Department of Health, a copy of which is attached, or until they receive a negative test result.
5. Anyone seeking testing who confirms they have had contact with a confirmed case of COVID-19 must quarantine themselves for 14 days after the last known exposure, regardless of testing status or result, unless otherwise directed pursuant to New York State Department of Health guidance, including its guidance regarding healthcare personnel and essential personnel.
6. An individual subject to this Order has a right to challenge this Order in a court of competent jurisdiction and to be represented by legal counsel or to have counsel

provided. If the person qualifies to have counsel provided, such counsel will be made available. To the extent necessary, the Monroe County Department of Public Health will request that an individual subject to isolation be allowed to participate in any such proceeding by telephonic or video-conferencing means.
