

Updated COVID-19 Vaccine Reimbursement and Coding – New York Only

MVP Health Care® (MVP) is covering approved COVID-19 vaccines at no cost-share to Members in all plans. Please follow the guidance below when submitting for reimbursement for administration of the COVID-19 vaccine.

MVP Members in Medicare Plans

Providers should bill Medicare Fee-for-Service (FFS) directly for the vaccine and administration of the vaccine to MVP Members enrolled in Medicare Advantage in 2020 and 2021. Reimbursement submitted to MVP for these Members will be denied.

MVP Members in Commercial and Medicaid Plans

When COVID-19 vaccine doses are provided by the government without charge, only bill for the vaccine administration. MVP will reimburse Participating Providers and out-of-network providers for the administration of the vaccine when the following codes are used:

CPT Code	Description
0001A	Pfizer-Biontech Immunization Administration, first dose
0002A	Pfizer-Biontech Immunization Administration, second dose
0011A	Moderna Immunization Administration, first dose
0012A	Moderna Immunization Administration, second dose
0031A	Janssen (Johnson & Johnson) Immunization Administration, one dose

Providers should not include the vaccine codes on the claim when the vaccines are free:

CPT Code	Description
91300	Pfizer-Biontech vaccine
91301	Moderna vaccine
91303	Janssen (Johnson & Johnson) vaccine
