# Summary

- Providers and practices have expressed interest in a Medent User Group to share best practices and learn from other Medent users across the network
- **The Medent User Group will begin with an asynchronous module that will be accessible to providers and practice teams online or through a link**
- Our AHP team will partner with Medent and interested practices using Medent to develop best practices and tutorial videos

# First Topic: Patient Portal

- The first topic will be the Medent Patient Portal
- We will collaborate with practices to gather best practices and work with Medent to provide any additional helpful information or demonstrations
- Please send along any burning questions or interesting, innovative, or helpful ways you or your practice team use the portal

# Feedback & Contact

- Please provide your feedback through the survey linked in the chat
- Please contact Sarah Dixon at [Sarah\\_Dixon@URMC.Rochester.edu](mailto:Sarah_Dixon@URMC.Rochester.edu) with any questions, suggestions, or to express interest in collaborating
