ATLANTIC HEALTH PARTNERS is pleased to present an overview of the 2026-2027 Flu Program which includes Sanofi, Seqirus, GlaxoSmithKline (GSK) and AstraZeneca flu products.

Sanofi:

- Favorable Fluzone/Flublok pricing and terms:
  - 2% early reservation discount for Fluzone standard dose presentations for orders placed by April 27, 2026 (this is not applicable on Flublok or Fluzone High Dose)
  - Ability to request "Schedule to Ship"
  - 2% prompt pay (90 days) and 1% on-line order discount
- Strong shipping guarantees for Atlantic members
- Return terms – credit for up to 15% of unused doses per presentation (return period will be May 1 – July 31, 2027)

Seqirus:

- This season (2026-2027) Seqirus has two tiers of pricing.
- Orders can be placed from Seqirus directly or through an eligible distributor:
- *You can return up to 15% of unused doses per brand for orders placed with Seqirus or an eligible distributor; returns must be made on or before June 28, 2027.*

GSK:

- Favorable GSK pricing and terms:
- An additional 2% Early Reservation Discount for doses pre-booked by March 31, 2026 with GSK via www.gskdirect.com.
- Ability to also order Flu (terms may vary) from authorized distributors
- Favorable return terms – credit for up to 15% of unused doses for both Flu brands for orders placed with GSK; distributor return terms may vary

ASTRAZENECA FLUMIST:

- Declaration required to access cost savings. Please contact Atlantic Health Partners.
